Selling sons and daughters in volume of these sires

Tehama Tahoe

CED +10 BW +0 WW +78 YW +134 Milk +32 Marb. +.90 REA +.95

2022 is our first offering of Tahoe progeny and we couldn't be more pleased with how he has mated with our cows. His sons and daughters are right in their structure, adequate in performance, and exciting in the genetic potential they possess. Nearly half of our Tahoe sons are from our donor program. 30 sons sell May 2!

U2 Coalition 206C

CED +9 BW +.8 WW +58 YW +116 Milk +23 Marb. +.37 REA +.57

Coalition is a mainstay in our program, he does so many things right. He has an uncanny ability to make cattle good - from the ground up they excel in their consistent structure, muscle shape, udder quality and temperment. Our 2022 sale will include numerous of his sons again, as well as a large selection of progeny from his productive daughters. 30 sons sell May 2!

S Architect 9501

CED +8 BW +.4 WW +105 YW +184 Milk +23 Marb. +.64 REA +.80

Architect is a new sire for us in 2022 and was the Spickler North high seller in the fall of 2020. A descendant of the Blossom cow family, he is the real deal. He will flat alter the growth pattern of his progeny, adding length and performance to everything he's mated to. 15 sons sell May 2!

S Cornerstone 607

CED +5 BW +.9 WW +72 YW +121 Milk +33 Marb. -.06 REA +.45

Cornerstone was the $65,000 high seller in our 2017 sale and a son of our cherished Blossom 0278 donor. He has earned his keep. A sire that adds muscle and performance, his heaviest impact is being felt through his daughters, they are some of the most productive females we've have. 18 sons sell May 2!

S Wrangler 830

CED +11 BW -.4 WW +72 YW +125 Milk +24 Marb. +.36 REA +.83

Wrangler is a Coalition son out of a double-bred Chisum 6175 daughter that we've chosen to use back heavily in our operation. 2022 will be his first large offering of sons of which most are calving ease prospects. Wrangler stamps his progeny with a real dominating look - they are muscle cattle, loaded with shape, expression and punch. 18 sons sell May 2!

Sitz Logo 12964

CED +17 BW -2.4 WW +70 YW +109 Milk +19 Marb. +.35 REA +.52

Logo 12964 is new to our offering this year and he has his name attached to some of the real highlights of our 2022 sale offering. A true calving ease sire, he puts adequate growth in his progeny and will sire daughters with front pasture udder quality. 17 sons sell May 2!
