**Note** - Lot 36 will sell unregistered. He is sired by Armstrong and out of one of our registered females, we just don't know which one, as he was switched at birth with a different dam. We are still working with Angus to determine his parentage.

When our catalog went to print we did not have parentage determined on lot 107. Turns out, he is out of lot 36's dam, making him an elite high \$M, royally bred maternal prospect combining Heritage and Foundation.
