

The Spickler Ranch South Production Sale is still scheduled for Monday, May 4th, 1 p.m. at our ranch near Glenfield, ND. We are located 14 ½ miles east of Carrington, ND right along Highway 200.

Safety Precautions

With your health and safety in mind, we are taking some steps to ensure a safe environment for all. For those who plan to attend the sale, a grab and go lunch will be provided. Surfaces will be properly disinfected and seating will be adjusted according to the crowd on hand. The sale offering will be penned in large pens allowing for easy and safe evaluation.

Viewing the Bulls

We encourage serious buyers to view the bulls ahead of the sale. We welcome you out to our ranch to go through the offering at any time between now and sale day. The bulls are currently in big, spacious pens and is easy access off of Highway 200. In addition, on Sunday, May 3rd, we will have the bulls sorted into their sale day pens and we invite you to come over and look through the bulls at this time as well. A change from the catalog is that we are sorry to inform you that we will not plan to have any food prepared on Sunday afternoon this year.

We also plan to do a Facebook Live sale preview on the Spickler Ranch South Facebook page a few days before the sale. Nathan will go through the sale offering in more detail and can answer any questions anyone may have. Watch our Facebook page for more information.

Bidding Options

Many bidding options are available for those who cannot attend this year's sale. DVAuction has been our online host in past year's and we have full confidence in this online bidding service. If you have never bid on the DVAuction site, you must first register for the sale by calling the DVAuction office at (402) 316-5460 or by registering on their web site at www.dvauction.com. We do ask that you pre-register for the sale if you plan to bid online.

As always, all phone bids and orders given to us prior to the sale will be handled with the utmost integrity. We do ask that if you are interested in phone bidding, that you let us know before the day of the sale so we can make sure to find the right person to be on the phone with you.

If you do plan to attend the sale and wish to haul your purchases home, we will be loading cattle out as in the past.

We so greatly appreciate your understanding as we go through this time together. Please let us know if you have any questions, or how we can help. We look forward to doing business with you.

Sincerely,

Nathan & Emily Spickler
